Introducing GAF Silver Plus Warranty

WKL Roofing LLC went looking for the best Manufacture's Shingle Warranty around and that has lead us to introduce GAF to our community. GAF is the top seller in many Florida markets such as Lee County (Ft Myers) and Pasco County (Port Richey). We have come to see that all manufactures have a "named storm" clause in their warranties. Limited Warranty refers to this clause. GAF now offers a Silver Plus Warranty when used with (4) accessories your roof will have unlimited coverage. (See Silver Plus Warranty page for more details.)
